INTERNAL SELECTION NOTICE - AVVISO INTERNO DI SELEZIONE

ERASMUS BLENDED PROJECT

“CLINICAL SKILLS TRAINING FOR PHARMACISTS IN GENERAL PRACTICE”

The course is organized in collaboration with the prestigious Schools of Pharmacy of Paris Saclay (France) and Dublin Trinity College (Ireland) with **online lessons in the afternoon from 30th May to 8th June**, followed by **an intensive week of teaching and practical activities in Pavia from 12th to 16th June** with commitment for all days.

Only 16 Italian students are admitted.

The course is focused on complementary activities and training that can be offered to students who aim to become community pharmacists in order to help them managing all their new missions to the patients. Clinical skills are becoming increasingly important for community pharmacists as they take on more patient-facing roles in primary care (advice to patients, vaccination, tests, follow-up of treatment, etc).

The planned activities together with the students of Paris and Dublin will include classroom lessons, practical tests, BLS course, REVAPOCT course, population screening in a country beyond, OSCE evaluation system test, and the production and development of different scenarios and settings (MOOCs) and a final videobook.

The project involves the participation of 8 students from each University. Pavia will identify 16 students in order to create a ratio 1:1 foreign students:Italian students, also because in the project is planned a practical activity on the community, an OSCE test for the final evaluation through the passage of each student in 5 "stations" examiners on the last day.

This course is recognized in the ERASMUS+ project and has **a value of 5 CFU credits**.

For applying, students must complete the following online form:

<https://docs.google.com/forms/d/1j9GuE2A5Pc3O0P2U9ysk5M9p-io7dUL3pBaOMKA4i3l/edit>

Applicants must present themselves on 15th FEBRUARY, 2023 at 3PM at the Department of Drug Science, VIA TARAMELLI, Classroom 1. Applicants must bring with them a short CV and a motivation letter.

Prof Giovanni Ricevuti - Coordinatore del Corso

Prof Giuseppina Sandri - Presidente Commissione Erasmus

Prof Simona Collina – Presidente CD Farmacia e CTF
